# Partial Kingdom of God

The promises God made to Abraham began to take shape yet remained incomplete. The family of Abraham grew to become the nation of Israel. After being led out of Egyptian captivity and into Canaan, their promised land, they agreed to keep their covenant with God and allegiance to God alone. God brought his people to his place and made a way for them to once again be in his presence with the construction of the Tabernacle and Temple. But the problem of sin remained. The people continually turned away from God and as they did, their disobedience again disrupted the Kingdom life offered to them.

## Be Still

Find a place where you can remove distractions and practice being still and silent. Then ask God to be with you and speak to you. Pray that the Holy Spirit will guide your time and draw you near to Jesus.

## Read

Read through the passage for the day. Then read through it again slowly. Write down what you observe and any questions you might have. What stands out? What is repeated? What is compared or contrasted? What words are unfamiliar?

## Examine

Examine the text and then let the text examine you. What is the context of this passage and how does it relate to the story of Scripture? Use a study Bible or commentary to dig deeper into what this author intended to communicate. Seek to discover what God is revealing and how it speaks to your heart and mind. Write your reflections.

## Apply

Write down one thing you believe God is asking you to do in response. Is there a sin to avoid, a promise to trust, an example to follow, a command to obey, or knowledge about God and his plan that changes, challenges, or comforts you? How will you apply this passage to your life today?

## Devote to Prayer

Finally, close by writing a simple prayer of devotion to God, praising him for who he is and thanking him for what he has done for you. Ask that, through the power of the Holy Spirit, his truth would bear fruit in your life as you trust in and follow Jesus.
